MEMORANDUM FOR THE RECORD

SUBJECT: Background to Kissinger Memorandum to the DCI on Military
Proselyting

1. According to Sam Adams the issue was raised in a three-page memorandum to Kissinger from a staff member of the National Security Council Staff. I believe Sam knows who originated the memorandum but he did not divulge it to me.

2. Kissinger is alleged to have given it to the President and subsequently passed it to the DCI attached to his own memorandum to the DCI.

3. I am also informed that [REDACTED] and that lengthy replies have been received.

25X1

4. These memoranda and cables should be reviewed in OER prior to the publication and release of the Military Proselyting paper.

5. *It is also clear to me, from a comment made by [REDACTED], that Sam was at least informed as to what was being done at the NSC.*
